## Show description

Get on board our spaceship to WHOOSH into outer space. Are you a pilot, navigator or maybe you're an engineer? Choose your role before we WHOOSH our spaceship across the galaxy. Pilot the ship when we make an emergency landing on the mysterious Planet X! What strange adventures await on this amazing alien planet? Let's work together to repair the ship and return to Earth.

*Whoosh!* is an interactive multi-sensory adventure that puts children with disabilities at the centre of the action. This highly-tailored production will be suitable for children with a broad range of access needs, including those with multiple and complex needs and children on the autism spectrum.

## About Sensorium Theatre

Established in 2010 by co-Artistic Directors Michelle Hovane and Francis Italiano, Sensorium Theatre is Australia's only company creating work for young audiences with disability.

Our twice Helpmann-nominated production, *Oddysea*, has toured extensively around Australia, including to the Arts Centre Melbourne, DreamBig and Awesome festivals, and to the Sydney Opera House, who hailed the 2015 season as a landmark in accessible programming.

## Digital App

A FREE digital app with exclusive content about the show including songs, characters stories and games is also available so audiences can familiarise themselves with the show before they attend, and have a greater experience while they are there.
